EDUCATION

2000 – 2004

EAST CAROLINA UNIVERSITY

- **Bachelor's of Art –
Communication Arts**

1996 – 2000

SOUTHERN WAYNE HIGH SCHOOL

- **Graduated with Honors**
- **Art Honors**
- **National Honor Society**

ADDITIONAL PROJECTS

2012 – PRESENT

FLY HIGH: STORY OF THE DISC DOG

StoryOfTheDiscDog.com

Producer & Director

Mastermind behind the production of the feature-length documentary about the history of canine disc. Responsible for coordinating interviews and film shoots as well as marketing, crowdfunding and post production processes. Coordinated over 30 interviews across the United States with individuals from all over the world.

2017

ANN WILSON TALKS (*Web series*)

Director of Photography

Working in association with Enterainment Productions of High Point, North Carolina, I worked to set up lighting, sound and cameras for a one-on-one sit down interview with Ann Wilson, of Heart fame, for an in-depth look at her process for creating her music, song selection and general experience in the music industry. The project capped off with a concert in which myself and a team of camera operators highlighted several of Ann's songs from the event.

2016

JABBERWALK: COMEDY & MUSIC SERIES

Creative & Crew Director

Coordinated, directed and managed a crew of four camera operators and sound technicians to film the Jabberwalk Summer Comedy and Music Series, held at The Crown at the Carolina Theater, in Greensboro, North Carolina. Responsible for the video brand development and implementation of the online web series.

2016

THERE GOES ERIC

Chief Lighting Technician and Sound Mixer

Responsible for lighting and sound mixing for the 2016 48 Hour Film Project, Team Enterainment. In 48 hours, we were to write, film, edit and submit a four to seven minute short film for the local competition. Awards: Audience Award, Best Musical Score, Best Use of Prop.

2015

REAL STATE

Director & Cinematographer

Managed, directed and lead a team of approximately 15 enthusiastic cast and crew members through the annual 48 Hour Film Project (Greensboro). In 48 hours, we were to write, film, edit and submit a four to seven minute short film for consideration in the local competition.
